2018 REVIEW

In 2018, we sent you three (3) different newsletters updating you on latest information about our organization, the Pension industry and your RSA. We informed you about our awards, recognitions and all we are doing to ensure you have a happy retirement.

We employed new personnel in different locations, improved our office ambiance in some states and also organized free medical tests for Hepatitis during our last Customer Service Week in October.

These and many more made 2018 a great year as 2019 promises to be even greater.
